CHAIRPERSONS

Assoc Prof Dr Morthy
 MBBS (Manipal, India)
 Dip Practical Dermatology (Wales Cardiff)
 Fellow in Dermatologic Laser Surgery (Mahidol, Bangkok)
 Certification in Mesotherapy (Paris)
 Certification in Cell Replacement Therapy (Geneva)

- Associate Professor Dr Ramamurthy (Dr. Morthy), a graduate of Manipal University (1995) is an internationally renowned Aesthetic Physician, Academician and Business Consultant.
- He pursued his education in Dermatology (Cardiff) and obtained his Fellowship in Laser Surgery (Utah). He was appointed as a senior lecturer and later as the Head of Department and Assoc Professor of Aesthetic Medicine for a medical university in Malaysia. He is currently the chairman for Aesthetic Academy Asia.
- Dr. Morthy was the founding President of Malaysian Society of Aesthetic Medicine. He was awarded the Letter of Credentialing & Privileging in Aesthetic Medicine on an honorary basis by the Malaysian Ministry of Health in 2013. He is currently an honorary member and key note speaker for several Aesthetic Medical and Dermatological Surgery societies.
- He is on the editorial board for Acta-Scientific Journal and has published papers related to Pain Management in Aesthetic Medicine, Botulinum Toxin, Dermal Fillers and Lasers. His experience in Aesthetic Medicine has positioned him as an international trainer for several products, including Algenesis Dermal Filler, Decoria Dermal Filler, N-Finders PDO Thread and Dysport Abobotulinum Toxin.
- Currently, he is the only Aesthetic Medical Trainer to have been awarded the Assured Certificate in Advanced Aesthetic Science by City & Guilds of London Institute and an honorary Diploma for his contributions to the intellectual progress of modern society from the esteemed Socrates Almanac Society (Oxford).

DR HEW YIN KEAT
 MB BCh BAO(UK)
 DIP. PRACT. DERM. (Wales)

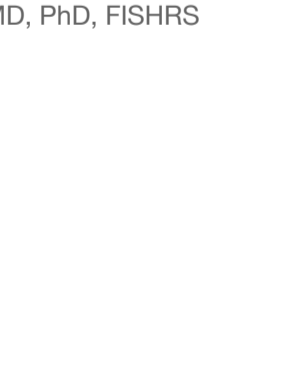

- A graduate of The Royal College of Surgeons in Ireland, Dr Hew Yin Keat represents one of a handful of pioneering doctors who have started the full-time practice of Aesthetic Medicine in Malaysia.
- Dr Hew obtained his Diploma in Practical Dermatology from the University of Wales quite early on and continues participating actively in international conferences on Aesthetic Medicine.
- He has trained with and shared information with global leaders and luminaries in this field.
- Dr Hew has the honour of being recognised as the first, and one of the most experienced, Botox Trainers in Malaysia. He has conducted Botox, dermal fillers and laser lectures and workshops in efforts to spread his enthusiasm and technical know-how about Aesthetic Medicine. His opinion has been sought in live television interviews, features in media publications as well as invitations to speak and train. He is a key opinion leader for many medical products and laser devices.
- Founding member of the Malaysian Society of Aesthetic Medicine which seeks to promote the safe practice and advancement of Aesthetic Medicine in Malaysia. He currently owns and runs 3 aesthetic clinics in the Bangsar area.

DR TRISTAN TAN
 MBBS (Manipal, India)
 Dip Laser Dermatology Surgery (BKK)
 Dip Dermatology (Cardiff University)
 Dip Aesthetic Medicine (USA)
 Minimally Invasive Surgery (KCCS, Korea)

- Started his career as a Medical Doctor and practised in 2006 Dr Tristan Tan has been a keen practitioner and Aesthetic Physician for more than a decade. His specialty is in non invasive and minimally invasive procedures specializing in Laser Dermatology, Injectables and Skin Care Formulations.
- Currently he is operating 3 Aesthetic clinics located in Kuala Lumpur, with all centres equipped with cutting edge laser based devices as well FDA approved technologies. He is a keen user of FDA approved neurotoxins and dermal fillers. He has vast experience in Laser treatment protocols and also has experience in treating complications.
- With a past history of learning and attachments to international acclaimed dermatologist and surgeons, Dr Tristan understanding of Asian skin has made him develop and teach in his field of aesthetic medicine to the younger learners.
- Currently due to more demand in this filed he is expanding his treatment and services to best serve his patients with multitude of skin problems and also those who are seeking to improve their skin.
- Graduated from Manipal University India with a MBBS, Dr Tristan has always been an avid learner and ability to adapt to different situations independently.
- With many overseas training from all over Asia and new technical advances this made his skills improve along his Aesthetic career.
- Dr Tristan is also a trainer and speaker during the AAAM Level 1 & 2 course.
- With training in Practical Dermatology and Laser Surgery, Dr Tristan interest to treat skin problems and sagging skin has prompt him to advance towards a fuller spectrum of cosmetic procedures involving aesthetic surgery which provides a better solution to patients.
- He also obtained his Certificate & Diploma in Aesthetic Medicine from USA and armed with knowledge of advance skin and surgery techniques his array of treatment and management protocols are effective and beneficial to bring out the best results for his patients.
