

StarWalker® MaQX SP Dynamis® & Nx Line in Aesthetics and Dermatology Workshop

Dedicated to Research & Education on the Medical Power of Light

Location:
LA&HA Academy
Malaysia Training Center

Date:
17/06/2025 -
18/06/2025

Overview

During this 2-day intensive workshop, participants will get to know the technological characteristics and advanced capabilities of Fotona's StarWalker® MaQX Q-switched laser, SP Dynamis and Nx Line systems. Participants will learn the principles of using these lasers in various non-surgical procedures within aesthetic medicine and dermatology. The practical and clinical advantages of lasers and laser-assisted treatments, and the effects of treatment parameter settings and variations thereof, will be explained in detail and discussed by experienced laser practitioners based on actual case materials.

Topics will include:

- Pigmentations Treatments (Melasma, Solar Lentigines, Dermal Melanosis and PIH)
- Tattoo Removal
- FracRevive and LIOB Rejuvenation
- Fotona4D® & Fotona4D® Men
- Smooth Eye®
- VectorLift®
- LipLase®
- Acne Scar Revision with Erbium YAG and Fractional Q-Switched
- Full Spot Skin Resurfacing
- Fractional Skin Resurfacing
- Super V Facial Sculpting
- Fractional Laser as Drug Delivery System
- TightSculpting® Body Shaping
- Benign Skin Lesions Removal
- Hair Reduction
- HAIRestart®
- Vascular Lesion Treatments

Objectives

- Understand laser physics and laser-tissue interactions.
- Understand the effects of different parameter settings and how to identify the ideal settings for specific conditions and applications.
- Learn how to gain the maximum benefit for your practice with Fotona laser systems.
- Learn tips and tricks from laser experts and peers.

All participating principal lecturers are certified Lecturers of the Laser and Health Academy.

The **Laser and Health Academy** is an independent institution developed and founded with Fotona's support to advance medical, technical, and scientific knowledge in lasers and their application in medicine and dentistry. It serves as a platform for exchanging and disseminating scientific knowledge among peers and promoting evidence-based laser medicine and dentistry among practitioners and the public.

The Academy's key activities focus on practical instruction and demonstration of laser techniques and procedures. These are delivered through various workshops, seminars, and specialized events at the Laser and Health Academy's training and demonstration facility or on-site at the Laser and Health Academy Lecturers' surgeries and clinics.

Visit www.laserandhealth.com for more information about the Academy's activities and the use of lasers in medicine and dentistry.

Schedule & Curriculum

Lecturers: Dr. Lucas Chia Location: LA&HA Academy Malaysia Training Center Day 1 : SP Dynamis & Nx Line	
09:00	Registration
09:20 – 09:30	General Workshop Information
09:30 – 09:40	Lasers Physics and Laser Safety
09:40 – 09:50	Laser-Tissue Interaction
09:50 – 11:00	SP Dynamis & Nx Line in Aesthetics and Dermatology
11:00 – 11:15	Coffee Break
11:15 – 12:30	Clinical Cases
12:30 – 13:30	Lunch
13:30 – 16:00	Clinical Cases
16:00 – 16:30	Discussion
16:30	Closure and Group Photo

Lecturers: Dr. Lucas Chia Location: LA&HA Academy Malaysia Training Center Day 2 : MaQx	
09:00	Registration
09:20 – 09:30	General Workshop Information
09:30 – 09:40	Lasers Physics and Laser Safety
09:40 – 09:50	Laser-Tissue Interaction
09:50 – 11:00	StarWalker® MaQX in Aesthetics and Dermatology
11:00 – 11:15	Coffee Break
11:15 – 12:30	Clinical Cases
12:30 – 13:30	Lunch
13:30 – 16:00	Clinical Cases
16:00 – 16:30	Discussion
16:30	Closure

Fees and Conditions

StarWalker® MaQX, SP Dynamis & Nx Line in Aesthetics and Dermatology Workshop

Price: RM4,000

Registrations will close 2 weeks before the start of the workshop. To maintain the educational quality of the workshop, the number of participants is limited. Registrations are accepted on a first-come, first-served basis.

Please arrange transportation and hotel bookings ONLY after receipt of confirmation.

We will send you the confirmation of your registration and participation at least two weeks before the start of each workshop.

Cancellation Policy: 50% of registration fees will be charged if cancellation takes place up to 7 days before the start of the workshop. 100% of the total amount will be charged if you notify us about your cancellation less than 7 days before the beginning of the workshop.

Notice of cancellation must be made in writing (email) to the LA&HA Academy Malaysia Training Center. The date of receipt (email) will serve as the basis for refunds.
