## Course Information

# Operative. Endo. Perio

We will be providing an in-depth three-day course covering the following topics:

**Laser Operative** - Providing a basic understanding of laser physics as well as laser tissue interaction. The operative course will also provide guidance and procedural input for everything from cavity preps to a variety of soft tissue applications.

**Laser Endo** - Providing in-depth and hands-on instruction for the execution of the PHAST™ protocol. This will also include your PHAST™ license.

**Laser Perio** - Providing the basic skill set necessary for the execution of laser perio treatments as well as hands-on training.

**Space is limited...register ASAP!**

\*Receive Continuing Education credit at 8 hours-per- day (24 total)

\*Delivery method includes lecture and hands-on participation

\*Course Verification Code: PHASTApril2018
