Course Information

Operative. Endo. Perio

We will be providing an in-depth three-day course covering the following topics:

Laser Operative - Providing a basic understanding of laser physics as well as laser tissue interaction. The operative course will also provide guidance and procedural input for everything from cavity preps to a variety of soft tissue applications.

Laser Endo - Providing in-depth and hands-on instruction for the execution of the PHAST™ protocol. This will also include your PHAST™ license.

Laser Perio - Providing the basic skill set necessary for the execution of laser perio treatments as well as hands-on training.

Space is limited...register ASAP!

*Receive Continuing Education credit at 8 hours-per- day (24 total)

*Delivery method includes lecture and hands-on participation

*Course Verification Code: PHASTOct2018

ACT Training Laser Class Schedule:
