The Academy of Clinical Technology (ACT) is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing dental education programs of this program provider are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 12/1/2012 to 11/30/2014. Provider ID# 325802

Course Information

Operative. Endo. Perio

We will be providing an in-depth three-day course covering the following topics:

Laser Operative - Providing a basic understanding of laser physics as well as laser tissue interaction. The operative course will also provide guidance and procedural input for everything from cavity preps to a variety of soft tissue applications.

Laser Endo - Providing in-depth and hands-on instruction for the execution of the PHAST™ protocol. This will also include your PHAST™ license.

Laser Perio - Providing the basic skill set necessary for the execution of laser perio treatments as well as hands-on training.

Space is limited...register ASAP!

*Receive Continuing Education credit at 8 hours-per-day (24 total)

*Delivery method includes lecture and hands-on participation

*Course Verification Code: PHASTMay2016
